If you're facing illness, disability or you're simply getting older and need support to live independently at home, call the **Wellbeing Service on 01522 782140.**

A member of our expert, friendly team can visit you in the comfort of your own home to help you decide what would make your life easier, including:

a range of equipment, so that you can get around at home with confidence, such as:

- grab rails
- kitchen and bathroom aids
- TeleCare (lifeline) personal safety alarms

advice and support with everyday problems, such as:

- money worries
- benefits
- filling in official forms
- house repairs
- making friends
- dealing with authorities
- transport

Please note: There may be a charge for some services, if these are chosen following an initial assessment, but we will explain any costs up front and there will be no obligation to proceed.

Call the Wellbeing Service on 01522 782140

or, if you prefer, ask a family member, friend or carer to call on your behalf
